### Trophy Line Tree Saddle - The hunters secret weapon™

Cover all those areas where you don't have a fixed tree stand using the versatile, ultra-packable Tree Saddle. Hook it up to any tree and safely maneuver to take shots from multiple angles. Can also be used when hunting on a platform stand for added shooting range and mobility. Ultrastrong webbing and built-in shoulder harness (5,000-lb. minimum), combined with an EZ-Fit™ Adjuster Buckle made of forged steel and rated for 1,500 lbs, safely secures you to the tree. Includes a 12-ft. long safety belt with 9,000-lb. heavy-duty webbing and a forged steel adjuster buckle to assist in ascending, descending and hooking-up. Mod-Loops™ around waist holds the included EZ-On Modular Pouches that can be used for storing items. Roomy Stealth Seat™ has a Mossy Oak® Break-Up™ water-resistant shell and is sized to cradle you like a hammock with no pressure points to cut off circulation. The neoprene seat cushion provides added comfort for all day hunting. **Instructional video and brochure included.** TMA Certified. Weighs 4 lbs. Wt. cap.: 375 lbs. **Sizes:** (S-19"-27" Waist), (M-27"-36" Waist), (L-33"-42" Waist), (XL-42"-48" Waist). MS- 41-6725..... **\$199.99**
